[Isaac Asuku Stephen]

📍 [Adamawa, Nigeria]

Professional Summary

Creative and detail-oriented Web and App Developer with 5 years of experience designing, developing, and deploying scalable mobile and web applications. Expert in Flutter, HTML, CSS and JavaScript, Dart, and cross-platform development with a strong background in UI/UX, performance optimization, and API integration. Proven ability to lead full project lifecycles from concept to deployment in agile environments.

Technical Skill

- Languages & Frameworks:** Dart, Flutter, JavaScript, HTML, CSS, Firebase, Node.js, REST APIs
 - Tools & Platforms:** Git, GitHub, VS Code, Android Studio, Xcode, Figma.
 - Databases:** Firebase Firestore, SQLite, MySQL
 - Mobile:** Android, iOS (Cross-platform)
 - Web:** Responsive Design, Progressive Web Apps (PWA)
-

Professional Experience

Senior Flutter Developer

- Led development of 3+ Flutter apps for Android and iOS.
- Integrated Firebase services (Authentication, Firestore, Push Notifications) into multiple apps.
- Collaborated with UI/UX designers to turn mockups into fully functional cross-platform apps.

- Improved app performance by 40% through efficient state management and code optimization.

Web and Mobile App Developer

- Developed and maintained responsive websites and hybrid mobile apps using Flutter and JavaScript.
 - Built custom RESTful APIs and integrated third-party APIs (Stripe, Google Maps, etc.).
 - Participated in agile development teams; conducted code reviews and mentored junior developers.
 - Designed reusable components and maintained clean, modular codebase.
-

Projects

- HealthTrack** – A cross-platform health tracking app with real-time data sync using Firebase and intuitive UI (10K+ downloads).
 - ShopKart** – E-commerce mobile app with cart, payment, and admin panel; integrated with Stripe and Firebase Auth.
 - EduLearn Web App** – Interactive learning platform for students with chat, quizzes, and leaderboard features.
-

Education

Bachelor of Science in Computer Science

[North Eastern University], [Gombe, Adamawa]
Graduated: [2023 to 2027]

Certifications

- **Flutter & Dart – The Complete Guide**, Udemy
- **Google UX Design Certificate**, Coursera
